PREPARE FOR MEET

ST. JOSEPH LINING UP MEN TO COMPETE HERE APRIL 28.

MUCH INTEREST SHOWN

Director Hanson Appoints Officials to Assist in Conducting Meet — Record Attendance Expected.

Advance indications from all over Northwest Missouri point to a record attendance at the eighth annual track and field meet of the Northwest Missouri Inter-High School association to be held here Saturday April 28. Much interest in track is being taken in all schools in this part of the state.

A rumor has been prevalent that Central High School of St. Joseph would not take part in the meet this year because of conflicting dates with another meet. This morning's issue of the St. Joseph Gazette contradicts this rumor. The Gazette says that Central will take part in the meet, and it has the following to say of the Central team:

Much Depends on Track.

Central will have to depend almost entirely on the track events to win the meet, as it is following tradition and is weak in the field events again this year.

Captain Allison Cash will take care of the 120-yard and the 220-yard low hurdles. He won the high hurdles last year and is stepping out fast in the low this year. In the high hurdles his running mate probably will be a junior, Bealls, a new man in this event, and the best Central man in the weights last year. In the low hurdles he will have either Freeman Scott or Paul Wheeler. Both of them are making pretty good time.

Four men are showing up well in the 100-yard dash — Owen Sellers, Paul Wheeler, C. C. Watson and Freeman Scott. Watson has been doing the distance in 10.2 and Sellers in 10.3. These are the two that will probably represent Central in this event.

In the 220-yard dash Sellers is showing up with 25 seconds.

The quarter-mile run is well taken care of with Sellers, winner last year in 55 seconds, making close to 53 this spring.

Holds School Record.

George Murphy Jr., holds the school record in the running high jump with a leap of 5 feet 7 inches, and is limbering up to take this event Saturday after next. George Quentin is also getting over the bar at 5 feet 2 inches and will be a good jumping mate for Murphy.

Murphy is also the probable entry in both the running and the standing broad jumps, and the hop, step and jump. Bealls ought to place in both the shotput and the discus. He took fourth place in these events last year

A CONTESTANTS' PROGRAM

Winners in H. S. Try-Outs Will Give Numbers Before Leaving for Mound City Preliminary.

The contestants who will represent Maryville High School at the preliminary oratorical, literary and extemporaneous speaking contests at Mound City next Friday evening, will give a program at the High School auditorium at 7:30 tomorrow evening

The program will open with a selection by the High school orchestra and then Clark Evans, the winner in the extemporaneous speaking contest, will give a talk. The high school trio comprising Clarence Cook, Donald Hagins and Roland Curnutt, will sing a song with Virgil Rathbun at the piano. Martin Lewis, the winner in the oratorical contest, will give an oration and his selection will be followed by an extemporaneous talk by Miss Etha Henderson, winner in the extemporaneous contest among the girls.

Music by the orchestra and a reading by Miss Erma Green, winner in the girls' contest, will close the program.

MRS. UNA GUYNN DIES

Sister of Mrs. W. T. Garrett Passes Away at Home at Braddyville—Funeral Tomorrow.

Mrs. Una Guynn, 73 years old, died at 12 o'clock last night at her home in Braddyville, Ia., following a ten days' illness of pneumonia.

Mrs. Guynn is well known around Maryville, having lived west of town for many years, but for the last fifteen years has been a resident of Braddyville. She is survived by two sons and two daughters, and one sister, Mrs. W. T. Garrett of Maryville.

Funeral services will be held tomorrow afternoon in Braddyville and burial will be in the Braddyville cemetery.

Mrs. W. T. Garrett went to Braddyville yesterday and will attend the funeral services.

ROBBER AT EDWARDS CAFE

Enter Through Rear Window and Make Away With $7—Evidently Worked in Haste.

A robber with an eye for variety made a call at Edwards' cafe sometime after closing time last night, but from all appearances his calling was done with much haste. He took about $7 from the cash register and even then overlooked a couple of dollars. He also dropped some of the change on the floor. He helped himself to the cigars and candy, and left samples of the latter scattered about.

The only evidence left was a bunch of keys including a trunk key and a Yale lock key. The robber gained admission through a rear window. It is believed that the robbery was committed by one familiar with the surroundings.

Miss Freda Carson of Albany was in Maryville yesterday visiting with friends.

REMOVE RUBBISH

CLEAN UP CAMPAIGN WILL DO MUCH TO BEAUTIFY CITY.

BEGINS NEXT WEDNESDAY

Committee Will Meet Tomorrow to Plan Active Campaign Against Insanitary Conditions in Maryville.

A trip through Maryville shows many streets, yards and open places that are littered with waste and rubbish, and are unsightly and insanitary. And these are the places that the citizens of Maryville are going to clean up one week from today when the clean up campaign begins in Maryville.

Although only one day is designated as Clean Up day it is intended that the movement shall continue throughout the spring and that the warm weather will see a Maryville free from rubbish heaps and germ-breeding piles of tin cans.

The committee appointed by Mayor Robey to begin the work of organizing the Clean Up campaign will meet at 4:30 o'clock tomorrow afternoon at the Commercial Club rooms, and plans for a day of strenuous effort along cleaning lines will be made by the members.

It is the purpose of the committee to enlist the active cooperation of every club, church, and society in Maryville and to have young and old to do their part in ridding the city of the refuse which has collected during the winter months

Much of the work of cleaning must be done during the week preceding Clean Up day. The yards and vacant lots nearby must be cleaned and the debris must be gathered into piles and sacked. Then on next Wednesday the wagons will come around and haul the sacks of rubbish away from the premises. The service of children can be utilized in gathering up the rubbish and suggestions from teachers and parents will be enthusiastically received if the right system is used.

The Council of Clubs will take an active part in the campaign this year, and has already tendered its services to the Mayor to carry on the campaign.

FINDS WATCH IN GARDEN

Bert Charles, Getting Potato Patch Ready, Unearths Gold Timepiece of Ancient Make.

Bert Charles was getting the back part of his lot on South Fillmore street ready for potato planting yesterday afternoon when he turned up a gold watch of ancient make.

The watch which is at least 75 years old, was an old-fashioned key-winding affair, and has the name of the maker, F. C. Cooper, London, England, engraved on the case. Mr. Charles says that there is no telling where it came from originally as the lot had been filled in with dirt some years ago, and possibly the watch was hauled in with the filling.

The property which Mr. Charles has rented belongs to Sam Robbins of Hopkins.

Leave for Homes.

Dr. Fred Walk of Walker, Ia., and Mrs. Charles May of Lincoln, Neb., who were called to Maryville by the death of their mother, Mrs. A. Walk, left this morning for their homes. Mrs. May was accompanied home by her sister, Miss Lillie Walk, who will make her home there.

CONCERT PLEASING

FIRST OFFERING OF MINNEAPOLIS ORCHESTRA A SPLENDID SUCCESS

MEDIUM CROWD ATTENDS

Miss Cooper and Mr. Proctor Give Delightful Rendition of Familiar and New Songs.

Not for many a day have music lovers of Maryville and the surrounding country been treated to a concert as pleasing as that given by Miss Jean Cooper and Warren Proctor with the Minneapolis Symphony Orchestra, at the First Methodist church last night. A medium-sized audience heard the program, but enthusiasm and appreciation filled in where numbers were lacking.

Miss Cooper came to Maryville with her reputation from last year adding many to the audience, and she fully lived up to the expectations of her friends. She gave three groups of songs in which her versatility and dramatic ability as well as the beauty and charm of her voice were well brought out. She sang "Wiegenlied" with a fervor that drew hearty applause from the audience and she responded with an encore which was also pleasingly sung.

The group of songs in French were no doubt included in the program to enable Miss Cooper to show the dramatic possibilities of her voice. Into "L'Heure de Pourpre," and "Extaste," she infused all of the feeling and strength of the French nature, while in "Bon Jour, Suson," she showed her thorough understanding of the lighter side of the life of "Gay Paree."

Her last songs in English were happily selected. Her rendition of "Come Little Leaves, Said the Wind One Day," was charming, and the "Deep River," in contrast showed the depth and range of her voice. She closed the program with a number in response to an encore.

Every singer of any pretentions has a copy of "The Star," by Rogers. But no one has heard it more beautifully sung that it was by Mr. Proctor in his part of the concert. Mr. Proctor took the place of Charles Harrison, tenor, who was prevented by illness from making the spring tour. But after Mr. Proctor had given his first number, "Where e'er You Walk," (Handel), his position in the sympathies of the audience was secure. He had a splendid tenor voice of wide range and compelling power and his selections were sung with remarkable ease and beauty.

In the second group the "Grey Wolf," (Burleigh), was the gem. Mr. Proctor explained to his hearers the interpretation he put on the poem, which he took to mean Poverty or Greed. This made the song more enjoyable when the artist's interpretation was followed.

Group three by Mr. Proctor was perhaps the most pleasing of the evening. Besides "The Star," he sang "Titania," "Within the Garden of My Heart," and "Calling to Thee," all of which were exquisitely sung.

One thing especially noticeable about the concert was the grace with which both singers responded to the encores. Miss Cooper gave two songs and Mr. Proctor responded three times to the importunities of the audience.

Miss Katherine Pike, pianist, showed herself not only skilled in playing accompaniments but her understandings of the singers was also noticeable. Her playing was one of the appreciable features of the program.

HEAVY FIRING OFF U.S. COAST

COAST GUARD STATIONS REPORT PROBABLE NAVAL ENGAGEMENT

NAVY DEPARTMENT SPECULATES ON CAUSE

American Fleet Scouring Adjacent Waters for Lurking Submarines Said to be Disguised.

Special to The Democrat-Forum.

Boston, April 18.—Heavy firing due north of Provincetown is reported today by three coast guard stations. Shipping circles all along the coast were notified by wireless of probable naval engagement in that vicinity. Requests for full reports were made at once by the Charlestown Navy Yards.

The firing took place at 9:40 a. m. and continued for some time. The engagement was reported north of extreme point of cape Cod, while firing was distinct and of great volume. All vessels engaged were below the horizon. Immediately after the receipt of the report the Charlestown navy yards showed the greatest activity since war was declared.

Washington, April 18.—Reports of cannon firing off of Cape Cod electrified officialdom here today. Reports came from the coast guards stations and officials are inclined to believe that it indicated that a patrol fleet might have sighted a German submarine. No official information, however, is available.

The navy took occasion to confirm press reports from Boston that such firing was actually heard but officials refused to speculate on what it meant. Officials said they would not be surprised to learn that German submarines now in American waters have been sent to the bottom. The fleet is leaving nothing undone, and is scouring the water adjacent to the Atlantic coast in an effort to locate submarines that are now positively known to be lurking there.

The navy's reply to the assertion that the Smith mistook a big fish for a torpedo came today when they positively declared that officers on deck on the destroyer not only saw the wake of the torpedo but the periscope of the submarine.

Disguised as Fishing Schooners.

New York, April 18.—German submarines are now being sent out disguised as fishing schooners, according to statements of passengers arriving from Europe.

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint with the attendant bad breath.

Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c per box. All druggists.

PREPARE FOR MEET

(Continued from Page 1.)

and is greatly improved this spring. There is no good prospect in the way of a pole vaulter this year and that event probably will have no Central entrant.

But the prospects of again winning the half-mile relay are particularly bright, as three of the four men who helped set a new association record of 1 minute and 40 seconds last year are back with the team this year. The three men are Scott, Sellers and Watson and with the addition of Jones or Wheeler may be able to equal the mark set last year, with Castle running as anchor man.

Officials Who Will Assist.

Director of Athletics Walter Hanson of the Normal, who has charge of the meet, has announced the names of the officials who will assist in conducting the meet. The list of officials is as follows:

Manager, Walter Hanson; referee and starter, H. P. Swinehart; clerk of course, George Palfreyman; assistant clerk of course, Clem Hahn, judges of finish, M. A. Peery, F. G. Shoemaker, R. P. Hosmer, Ben Chandler, R. G. Sanders, Roy Curfman; field judges, Walter Wray, C. H. Belting, Emmett Scott, M. W. Wilson, Lee Scarlett, E. W. White, C. The field will be roped off and only the contestants, coaches, and those having official badges will be admitted. The field events and the finish of all track events will be directly in front of the grandstand. A place will be reserved in center of the field for contestants, and all will be required to remain there except when actually engaged in some event. There will be nothing to obstruct the view of the spectators.

Headquarters at Linville.

Headquarters for the meet will be at the Linville Hotel. A reception committee will be on hand there, and all visitors are requested to report there for room and board. On Friday afternoon at 2 o'clock there will be a conference of High School superintendents and principals in the Normal auditorium. At 8 o'clock p. m., the contests in oratory, declamation, extemporaneous speaking, and song will be held in the auditorium.

The Executive committee will hold its annual meeting at 9:30 o'clock Saturday morning. The names of the officers of the association are as follows: president, A. A. Ross, Fairfax; secretary, D. E. Mothershead, Weston; treasurer, George H. Beasley, Liberty; corresponding secretary, H. P. Swinehart, Maryville.

At 10 a. m., Saturday, the contestants will meet in the east gymnasium of the Normal to secure numbers for the afternoon games. The meet will commence promptly at 1 o'clock p. m. All entries must be in by Saturday, April 21.

Healthy Skin

DEPENDS ON KIDNEYS.

The skin and the intestines, which work together with the kidneys to throw out the poisons of the body, do a part of the work, but a clean body and a healthy one depends on the kidneys. If the kidneys are clogged with toxic poisons you suffer from stiffness in the knees in the morning on arising, your joints seem "rusty," you may have rheumatic pains, pain in the back, stiff neck, headaches, sometimes swollen feet, or neuralgic pains—all due to the uric acid or toxic poisons in the blood. This is the time to go to the nearest drug store and simply obtain a 50c. package of Anuric, the discovery of Dr. Pierce of Buffalo, N. Y. Then drink a cup of hot water before meals, with an Anuric Tablet, and notice the gratifying results. You will find Anuric more active than lithia. Dissolves uric acid as water does sugar.

YOU know these are unusual times; wool is hard to get, so in many cases cotton is substituted in clothes'

You will have to be careful or you'll get cotton mixed goods—you don't want them.

The way to be sure of all-wool is to come to this store; you'll get Hart, Schaffner & Mark clothes. These makers use nothing but all-wool. Such clothes may cost a little more than the other kind, but they're worth many times more.

For smart style, good fit, big values, and elegance in detail, you can't equal Hart, Schaffner & Mark clothes. We don't say that because we sell the clothes; on the contrary, we sell these clothes because we can say these things about them. And that another good reason why you should come here for $20 to $30 and Clothcraft $10 to $20.

"Let every man and every woman assume the duty of careful, provident use and expenditure as a public duty, as a dictate of patriotism which no one can now expect ever to be excused or forgiven for ignoring."

WOODROW WILSON."

(From President Wilson's Appeal, April 16).

President Wilson's appeal brings home to every citizen a clear understanding of what the government expects of the individual.

Economy is a necessity and a patriotic duty. Conscientious Americans expect to share the stringency in food with the people of other nations.

Not everyone can bear arms and not everyone can till the soil, but every man, woman and child must needs have cooked food, and therefore can serve his country at least by economy of fuel and through efficiency.

We call Attention to Cooking Electrically

THIS COMPANY IS DOING ITS PART BY PROVIDING A RATE THAT, INSTEAD OF ADVANCING—

has Actually been Lowered

We will demonstrate to you that by cooking Electrically, using an **ELECTRIC RANGE,** that you not only have greater efficiency in your household, but are able to effect a saving over coal or other fuel—to say nothing of the comfort enjoyed; the ashes and soot done away with. No heavy coal buckets or greasy oil cans to handle. **MAY WE SHOW YOU?**

MRS. BURNHAM JAMAICA, N. Y.

Sufferings Cured by Medicine Recommended by Sister-in-law.

Jamaica, N. Y.—"I suffered greatly with my head and with backache, was weak, dizzy, nervous, with hot flashes and felt very miserable, as I was irregular for two years. One day when I was feeling unusually bad my sister-in-law came in and said, 'I wish you would try Lydia E. Pinkham's Compound.' So I began taking it and I am now in good health and am cured. I took the Compound three times a day after meals, and on retiring at night. I always keep a bottle in the house."—Mrs. L. N. BURNHAM, 295 South St., Jamaica, N.Y.

Women who recover their health naturally tell others what helped them. Some write and allow their names and photographs to be published with testimonials. Many more tell their friends.

HEALTH IN S.S.S.

S.S.S. The three great letters representing something which means so much to your individual health, as well as to the nation's health.

Why?

BECAUSE it has carried into thousands of American homes—HEALTH! The one thing all people desire.

BECAUSE it has the essential qualities to restore to your veins and arteries healthy blood, which is necessary to good health.

BECAUSE it is a purely vegetable remedy, guaranteed not to contain minerals of any kind.

BECAUSE it has genuine merit; otherwise it could not have stood the test for fifty years, as it has done.

Get S. S. S. at any drug store. There are dealers who will offer "something just as good." Don't be persuaded. Demand the genuine. The only object a dealer has in substituting is to make an additional profit.

Rheumatism, Catarrh, Malaria, and nearly all skin disorders are from impure blood and can be cured.

Write fully for detailed treatment.

TO HELP WIN THE WAR

Misses Virginia Rose and Alice Porter Will Garden on the Sisson Lot Near Christian Church.

The latest persons to go into the war winning campaign by contributing to the increased acreage in the United States are Misses Virginia Rose and Alice Porter.

N. Sisson has offered to let the girls have the use of his lot north of the Christian church and they will plant potatoes and onions. They fill hire the plowing and spading done but will do the planting themselves and will also care for the garden during the summer.

When it comes time to harvest their crop they are thinking of giving a "harvesting party" so that the work may be economically done.

Every tire claims to be the lowest-cost-per-mile tire.

If you knew the experience of any considerable number of other tire users,

—that would help you decide which tire makes good on the claim.

We don't know about other makes of tires, but we do know

—that motorists who have used United States Tires continue to use them;

—that more and more motorists who used other makes of tires are turning to United States Tires.

These two facts are proved by the amazing sales increases of United States Tires

PREPARE FOR MEET

ST. JOSEPH LINING UP MEN TO COMPETE HERE APRIL 28.

MUCH INTEREST SHOWN

Director Hanson Appoints Officials to Assist in Conducting Meet — Record Attendance Expected.

Advance indications from all over Northwest Missouri point to a record attendance at the eighth annual track and field meet of the Northwest Missouri Inter-High School association to be held here Saturday April 28. Much interest in track is being taken in all schools in this part of the state.

A rumor has been prevalent that Central High School of St. Joseph would not take part in the meet this year because of conflicting dates with another meet. This morning's issue of the St. Joseph Gazette contradicts this rumor. The Gazette says that Central will take part in the meet, and it has the following to say of the Central team:

Much Depends on Track.

Central will have to depend almost entirely on the track events to win the meet, as it is following tradition and is weak in the field events again this year.

Captain Allison Cash will take care of the 120-yard and the 220-yard low hurdles. He won the high hurdles last year and is stepping out fast in the low this year. In the high hurdles his running mate probably will be a junior, Bealls, a new man in this event, and the best Central man in the weights last year. In the low hurdles he will have either Freeman Scott or Paul Wheeler. Both of them are making pretty good time.

Four men are showing up well in the 100-yard dash — Owen Sellers, Paul Wheeler, C. C. Watson and Freeman Scott. Watson has been doing the distance in 10.2 and Sellers in 10.3. These are the two that will probably represent Central in this event.

In the 220-yard dash Sellers is showing up with 25 seconds.

The quarter-mile run is well taken care of with Sellers, winner last year in 55 seconds, making close to 53 this spring.

Holds School Record.

George Murphy Jr., holds the school record in the running high jump with a leap of 5 feet 7 inches, and is limbering up to take this event Saturday after next. George Quentin is also getting over the bar at 5 feet 2 inches and will be a good jumping mate for Murphy.

Murphy is also the probable entry in both the running and the standing broad jumps, and the hop, step and jump. Bealls ought to place in both the shotput and the discus. He took fourth place in these events last year

A CONTESTANTS' PROGRAM

Winners in H. S. Try-Outs Will Give Numbers Before Leaving for Mound City Preliminary.

The contestants who will represent Maryville High School at the preliminary oratorical, literary and extemporaneous speaking contests at Mound City next Friday evening, will give a program at the High School auditorium at 7:30 tomorrow evening

The program will open with a selection by the High school orchestra and then Clark Evans, the winner in the extemporaneous speaking contest, will give a talk. The high school trio comprising Clarence Cook, Donald Hagins and Roland Curnutt, will sing a song with Virgil Rathbun at the piano. Martin Lewis, the winner in the oratorical contest, will give an oration and his selection will be followed by an extemporaneous talk by Miss Etha Henderson, winner in the extemporaneous contest among the girls.

Music by the orchestra and a reading by Miss Erma Green, winner in the girls' contest, will close the program.

MRS. UNA GUYNN DIES

Sister of Mrs. W. T. Garrett Passes Away at Home at Braddyville— Funeral Tomorrow.

Mrs. Una Guynn, 73 years old, died at 12 o'clock last night at her home in Braddyville, Ia., following a ten days' illness of pneumonia.

Mrs. Guynn is well known around Maryville, having lived west of town for many years, but for the last fifteen years has been a resident of Braddyville. She is survived by two sons and two daughters, and one sister, Mrs. W. T. Garrett of Maryville.

Funeral services will be held tomorrow afternoon in Braddyville and burial will be in the Braddyville cemetery.

Mrs. W. T. Garrett went to Braddyville yesterday and will attend the funeral services.

ROBBER AT EDWARDS CAFE

Enter Through Rear Window and Make Away With $7—Evidently Worked in Haste.

A robber with an eye for variety made a call at Edwards' cafe sometime after closing time last night, but from all appearances his calling was done with much haste. He took about $7 from the cash register and even then overlooked a couple of dollars. He also dropped some of the change on the floor. He helped himself to the cigars and candy, and left samples of the latter scattered about.

The only evidence left was a bunch of keys including a trunk key and a Yale lock key. The robber gained admission through a rear window. It is believed that the robbery was committed by one familiar with the surroundings.

Miss Freda Carson of Albany was in Maryville yesterday visiting with friends.

REMOVE RUBBISH

CLEAN UP CAMPAIGN WILL DO MUCH TO BEAUTIFY CITY.

BEGINS NEXT WEDNESDAY

Committee Will Meet Tomorrow to Plan Active Campaign Against Insanitary Conditions in Maryville.

A trip through Maryville shows many streets, yards and open places that are littered with waste and rubbish, and are unsightly and insanitary. And these are the places that the citizens of Maryville are going to clean up one week from today when the clean up campaign begins in Maryville.

Although only one day is designated as Clean Up day it is intended that the movement shall continue throughout the spring and that the warm weather will see a Maryville free from rubbish heaps and germ-breeding piles of tin cans.

The committee appointed by Mayor Robey to begin the work of organizing the Clean Up campaign will meet at 4:30 o'clock tomorrow afternoon at the Commercial Club rooms, and plans for a day of strenuous effort along cleaning lines will be made by the members.

It is the purpose of the committee to enlist the active cooperation of every club, church, and society in Maryville and to have young and old to do their part in ridding the city of the refuse which has collected during the winter months.

Much of the work of cleaning must be done during the week preceding Clean Up day. The yards and vacant lots nearby must be cleaned and the debris must be gathered into piles and sacked. Then on next Wednesday the wagons will come around and haul the sacks of rubbish away from the premises. The service of children can be utilized in gathering up the rubbish and suggestions from teachers and parents will be enthusiastically received if the right system is used.

The Council of Clubs will take an active part in the campaign this year, and has already tendered its services to the Mayor to carry on the campaign.

FINDS WATCH IN GARDEN

Bert Charles, Getting Potato Patch Ready, Unearths Gold Timepiece of Ancient Make.

Bert Charles was getting the back part of his lot on South Fillmore street ready for potato planting yesterday afternoon when he turned up a gold watch of ancient make.

The watch which is at least 75 years old, was an old-fashioned key-winding affair, and has the name of the maker, F. C. Cooper, London, England, engraved on the case. Mr. Charles says that there is no telling where it came from originally as the lot had been filled in with dirt some years ago, and possibly the watch was hauled in with the filling.

The property which Mr. Charles has rented belongs to Sam Robbins of Hopkins.

Leave for Homes.

Dr. Fred Walk of Walker, Ia., and Mrs. Charles May of Lincoln, Neb., who were called to Maryville by the death of their mother, Mrs. A. Walk, left this morning for their homes. Mrs. May was accompanied home by her sister, Miss Lillie Walk, who will make her home there.

CONCERT PLEASING

FIRST OFFERING OF MINNEAPOLIS ORCHESTRA A SPLENDID SUCCESS

MEDIUM CROWD ATTENDS

Miss Cooper and Mr. Proctor Give Delightful Rendition of Familiar and New Songs.

Not for many a day have music lovers of Maryville and the surrounding country been treated to a concert as pleasing as that given by Miss Jean Cooper and Warren Proctor with the Minneapolis Symphony Orchestra, at the First Methodist church last night. A medium-sized audience heard the program, but enthusiasm and appreciation filled in where numbers were lacking.

Miss Cooper came to Maryville with her reputation from last year adding many to the audience, and she fully lived up to the expectations of her friends. She gave three groups of songs in which her versatility and dramatic ability as well as the beauty and charm of her voice were well brought out. She sang "Wiegenlied" with a fervor that drew hearty applause from the audience and she responded with an encore which was also pleasingly sung.

The group of songs in French were no doubt included in the program to enable Miss Cooper to show the dramatic possibilities of her voice. Into "L'Heure de Pourpre," and "Extaste," she infused all of the feeling and strength of the French nature, while in "Bon Jour, Suson," she showed her thorough understanding of the lighter side of the life of "Gay Paree."

Her last songs in English were happily selected. Her rendition of "Come Little Leaves, Said the Wind One Day," was charming, and the "Deep River," in contrast showed the depth and range of her voice. She closed the program with a number in response to an encore.

Every singer of any pretentions has a copy of "The Star," by Rogers. But no one has heard it more beautifully sung that it was by Mr. Proctor in his part of the concert. Mr. Proctor took the place of Charles Harrison, tenor, who was prevented by illness from making the spring tour. But after Mr. Proctor had given his first number, "Where e'er You Walk," (Handel), his position in the sympathies of the audience was secure. He had a splendid tenor voice of wide range and compelling power and his selections were sung with remarkable ease and beauty.

In the second group the "Grey Wolf," (Burleigh), was the gem. Mr. Proctor explained to his hearers the interpretation he put on the poem, which he took to mean Poverty or Greed. This made the song more enjoyable when the artist's interpretation was followed.

Group three by Mr. Proctor was perhaps the most pleasing of the evening. Besides "The Star," he sang "Titania," "Within the Garden of My Heart," and "Calling to Thee," all of which were exquisitely sung.

One thing especially noticeable about the concert was the grace with which both singers responded to the encores. Miss Cooper gave two songs and Mr. Proctor responded three times to the importunities of the audience.

Miss Katherine Pike, pianist, showed herself not only skilled in playing accompaniments but her understandings of the singers was also noticeable. Her playing was one of the appreciable features of the program.

HEAVY FIRING OFF U.S. COAST

COAST GUARD STATIONS REPORT PROBABLE NAVAL ENGAGEMENT

NAVY DEPARTMENT SPECULATES ON CAUSE

American Fleet Scouring Adjacent Waters for Lurking Submarines Said to be Disguised.

Special to The Democrat-Forum.

Boston, April 18.—Heavy firing due north of Provincetown is reported today by three coast guard stations. Shipping circles all along the coast were notified by wireless of probable naval engagement in that vicinity. Requests for full reports were made at once by the Charlestown Navy Yards.

The firing took place at 9:40 a. m. and continued for some time. The engagement was reported north of extreme point of cape Cod, while firing was distinct and of great volume. All vessels engaged were below the horizon. Immediately after the receipt of the report the Charlestown navy yards showed the greatest activity since war was declared.

Washington, April 18.—Reports of cannon firing off of Cape Cod electrified officialdom here today. Reports came from the coast guards stations and officials are inclined to believe that it indicated that a patrol fleet might have sighted a German submarine. No official information, however, is available.

The navy took occasion to confirm press reports from Boston that such firing was actually heard but officials refused to speculate on what it meant. Officials said they would not be surprised to learn that German submarines now in American waters have been sent to the bottom. The fleet is leaving nothing undone, and is scouring the water adjacent to the Atlantic coast in an effort to locate submarines that are now positively known to be lurking there.

The navy's reply to the assertion that the Smith mistook a big fish for a torpedo came today when they positively declared that officers on deck on the destroyer not only saw the wake of the torpedo but the periscope of the submarine.

Disguised as Fishing Schooners.

New York, April 18.—German submarines are now being sent out disguised as fishing schooners, according to statements of passengers arriving from Europe.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint with the attendant bad breath.

Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c per box. All druggists.

PREPARE FOR MEET

(Continued from Page 1.)

and is greatly improved this spring. There is no good prospect in the way of a pole vaulter this year and that event probably will have no Central entrant.

But the prospects of again winning the half-mile relay are particularly bright, as three of the four men who helped set a new association record of 1 minute and 40 seconds last year are back with the team this year. The three men are Scott, Sellers and Watson and with the addition of Jones or Wheeler may be able to equal the mark set last year, with Castle running as anchor man.

Officials Who Will Assist.

Director of Athletics Walter Hanson of the Normal, who has charge of the meet, has announced the names of the officials who will assist in conducting the meet. The list of officials is as follows:

Manager, Walter Hanson; referee and starter, H. P. Swinehart; clerk of course, George Palfreyman; assistant clerk of course, Clem Hahn, judges of finish, M. A. Peery, F. G. Shoemaker, R. P. Hosmer, Ben Chandler, R. G. Sanders, Roy Curfman; field judges, Walter Wray, C. H. Belting, Emmett Scott, M. W. Wilson, Lee Scarlett, E. W. White, C. Saville, Harold DeMoss, George Hubbard; timers, Bert Raines, J. A. Ford, Lee Carpenter, W. C. Pearson; scorers, E. L. Harrington, Fred Lewis, Vern Pickens, George Crowson, Harold Staples, N. C. Wagers; announcers, Phil Colbert, Edison Blagg; inspectors, O. N. Gingrich, Walter Miller, Neil Somerville, P. L. Vradenburg.

The field will be roped off and only the contestants, coaches, and those having official badges will be admitted. The field events and the finish of all track events will be directly in front of the grandstand. A place will be reserved in center of the field for contestants, and all will be required to remain there except when actually engaged in some event. There will be nothing to obstruct the view of the spectators.

Headquarters at Linville.

Headquarters for the meet will be at the Linville Hotel. A reception committee will be on hand there, and all visitors are requested to report there for room and board. On Friday afternoon at 2 o'clock there will be a conference of High School superintendents and principals in the Normal auditorium. At 8 o'clock p. m., the contests in oratory, declamation, extemporaneous speaking, and song will be held in the auditorium.

The Executive committee will hold its annual meeting at 9:30 o'clock Saturday morning. The names of the officers of the association are as follows: president, A. A. Ross, Fairfax; secretary, D. E. Mothershead, Weston; treasurer, George H. Beasley, Liberty; corresponding secretary, H. P. Swinehart, Maryville.

At 10 a. m., Saturday, the contestants will meet in the east gymnasium of the Normal to secure numbers for the afternoon games. The meet will commence promptly at 1 o'clock p. m. All entries must be in by Saturday, April 21.

In the most stubborn Scrofulous, Skin or Scalp Diseases, Eczema, Salt-rheum, and every kindred ailment, it effects wonderful cures. Contains no alcohol or harmful drugs. In tablet or liquid form.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take.

Healthy Skin

DEPENDS ON KIDNEYS.

The skin and the intestines, which work together with the kidneys to throw out the poisons of the body, do a part of the work, but a clean body and a healthy one depends on the kidneys. If the kidneys are clogged with toxic poisons you suffer from stiffness in the knees in the morning on arising, your joints seem "rusty," you may have rheumatic pains, pain in the back, stiff neck, headaches, sometimes swollen feet, or neuralgic pains—all due to the uric acid or toxic poisons in the blood. This is the time to go to the nearest drug store and simply obtain a 50c. package of Anuric, the discovery of Dr. Pierce of Buffalo, N. Y. Then drink a cup of hot water before meals, with an Anuric Tablet, and notice the gratifying results. You will find Anuric more active than lithia. Dissolves uric acid as water does sugar.

Miss Egan Married.

Margaret Egan, daughter of Mr. and Mrs. Maurice Egan of Conception and Chris Derks, son of Mr. and Mrs. Theodore Derks of Clyde were married at 8 o'clock this morning at the Conception Abbey church, Rev. Father Placidus officiating.

Misses Katherine Egan and Margaret Maher, sister and cousin of the bride, Ed Derk, brother of the groom and John Egan brother of the bride acted as attendants to the bridal party.

The bride was elaborately gowned in a dress of white satin with trimmings of silk lace and wore a veil of silk embroidered lace. She wore white gloves and slippers and carried an arm boquet of pink roses. The bridesmaids wore dresses of blue satin with trimmings of lace with the blue satin slippers to match and carried arm boquets of pink carnations.

Immediately after the ceremony a wedding breakfast was served to the bridal party, and at the noon hour an elaborate dinner was served to the close friends and relatives of both parties.

Mr. and Mrs. Derk left this afternoon for a short trip to parts unknown. They will make their home on a farm east of Clyde.

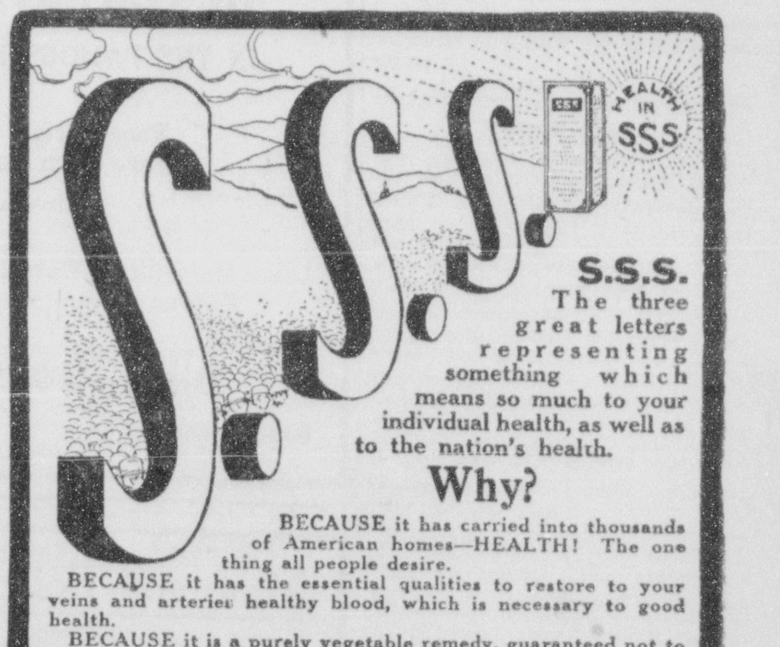
MRS. BURNHAM JAMAICA, N. Y.

Sufferings Cured by Medicine Recommended by Sister-in-law.

Jamaica, N. Y.—"I suffered greatly with my head and with backache, was weak, dizzy, nervous, with hot flashes and felt very miserable, as I was irregular for two years. One day when I was feeling unusually bad my sister-in-law came in and said, 'I wish you would try Lydia E. Pinkham's Compound.' So I began taking it and I am now in good health and am cured. I took the Compound three times a day after meals, and on retiring at night. I always keep a bottle in the house."—Mrs. L. N. BURNHAM, 295 South St., Jamaica, N. Y.

Women who recover their health naturally tell others what helped them. Some write and allow their names and photographs to be published with testimonials. Many more tell their friends.

Write Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass., for anything you need to know about your ailments.



S.S.S.
The three great letters representing something which means so much to your individual health, as well as to the nation's health.

Why?

BECAUSE it has carried into thousands of American homes—HEALTH! The one thing all people desire.

BECAUSE it has the essential qualities to restore to your veins and arteries healthy blood, which is necessary to good health.

BECAUSE it is a purely vegetable remedy, guaranteed not to contain minerals of any kind.

BECAUSE it has genuine merit; otherwise it could not have stood the test for fifty years, as it has done.

Get S. S. S. at any drug store. There are dealers who will offer "something just as good." Don't be persuaded. Demand the genuine. The only object a dealer has in substituting is to make an additional profit.

Rheumatism, Catarrh, Malaria, and nearly all skin disorders are from impure blood and can be cured.

Write fully for detailed treatment.

TO HELP WIN THE WAR

Misses Virginia Rose and Alice Porter Will Garden on the Sisson Lot Near Christian Church.

The latest persons to go into the war winning campaign by contributing to the increased acreage in the United States are Misses Virginia Rose and Alice Porter.

N. Sisson has offered to let the girls have the use of his lot north of the Christian church and they will plant potatoes and onions. They fill hire the plowing and spading done but will do the planting themselves and will also care for the garden during the summer.

When it comes time to harvest their crop they are thinking of giving a "harvesting party" so that the work may be economically done.

Experience Is the Test of Tires

Every tire claims to be the lowest-cost-per-mile tire.

If you knew the experience of any considerable number of other tire users,

—that would help you decide which tire makes good on the claim.

We don't know about other makes of tires, but we do know

—that motorists who have used United States Tires continue to use them;

—that more and more motorists who used other makes of tires are turning to United States Tires.

These two facts are proved by the amazing sales increases of United States Tires

—sales increases that are vastly greater than even the greater natural increase in the number of automobiles this year over last

—which shows where tire service is.
